Texas Chapter of the ACP

2016 Annual Meeting

REGISTRATION BROCHURE

Omni Houston Hotel • Houston, Texas
November 5 – 6, 2016
Join us in Houston!

You are invited to join the TXACP, along with your colleagues from across the state for the Texas Chapter Annual Scientific Meeting. The meeting is a great way for you to recharge, rewind, and reflect with your peers, chapter leaders, and great speakers. Connect with the Texas Chapter’s rich source of knowledge content and networking by attending our premiere meeting for general internists, subspecialty internists, hospitalists, allied health practitioners, residents and medical students.

In addition to earning educational credits, this conference is about making personal contacts and getting involved in your chapter. Your program chairs and committee members have planned a great weekend to help you meet not only your needs as a physician, but also the needs of the patients you serve.

I look forward to seeing you in November.

Sincerely,
Sue Bornstein, MD, FACP  Host ACP Governor, Texas Northern Chapter
